

Consent to Photograph and Record:

Many opportunities are presented throughout the school year to share positive stories about what is going on in Niagara Academy. Media contact could be initiated by us through a News Release that highlights a special activity or event; or contact may be initiated by the media with respect to an educational issue or initiative for which they are seeking local information. We seek every possible opportunity to present positive stories to our community.

This "Consent to Photograph and Record" form is seeking your authorization for your child's recorded image, voice or work to be used by the media or in Academy publications, presentations and on websites over the current school year as opportunities arise.

Your completion of this form is sincerely appreciated. Should you have any concerns with respect to providing this permission for your child; please contact Niagara Academy.

I hereby give my permission for my child's recorded image (whether it is still or video), voice or work to be used by the media or in Academy publications, websites and presentations. I understand that I/my child may be identified by name.
